I am requesting that Meridian Dist# 15 provide bus transportation for my son/daughter. I understand that the following policies have been designed to ensure the safety of all students while utilizing school district transportation.

1. My son/daughter must exhibit proper behavior abiding by all rules while on the bus.
2. A specific pick up and drop off location must be designated for each day of the week.
3. No more than two separate addresses will be accommodated as pick-up and drop-off points
4. Should a drop-off be necessary other than my child's regular drop-off point, I must provide a written note to the office no later than 12 pm. Emergency situations arising will require authorization from building principal and transportation director.
5. Permanent changes to pick-up and drop-off points must be addressed with the student's principal and transportation director.
6. An adult must be present (and visible to the driver) at all drop off points for Prek, Kindergarten & 1st students. In the absence of an adult, the student will be returned to the bus station, and parents will be responsible for arranging their pick-up. If a student is brought back to the bus station due to the parent or designee not being present to receive the child, a warning letter will be sent by the district. Upon the third incident, transportation privileges may be revoked. Repeated violations may also result in a complaint of parental neglect being made to the Department of Children & Family Services (DCFS).
7. The district may revoke bus transportation for failure to abide by the terms of this agreement.

I have read and fully understand the rules set forth. I understand that if I have any questions I may contact the child's principal or the transportation director.
