

Student in Media Consent Form

Meridian Community Unit School District #15

Each Meridian school publishes information through various media forms—print (school newspaper), electronic (school website) and/or video production. The purpose of these publications is to provide the school community—students, parents and the general public—with an opportunity to learn more about Meridian and to showcase student achievements. General information such as calendars, news/events, and staff contact information, etc. is often published along with student/class work.

Meridian CUSD #15 recognizes that when publishing student/class work particular attention and responsibility must be given in order to protect its students. Therefore, we have established some guidelines for publishing information about your child and his/her work. Please review the guidelines carefully. Your permission is necessary before your child's information can be published.

1. Only a student's first name can be used.
2. Individual or group pictures of students (including, but not limited to: students working in classrooms or participating in field trips, sports teams, class pictures, and other school events) will be displayed only with your permission.
3. Student's work (such as written work or artwork) will only be displayed with your permission.

I understand that my signature on this form will remain valid until my child changes building or policy changes require revision. If I, as the parent or guardian, wish to rescind this agreement, I may do so at any time in writing by sending a letter to the principal of my child's school and such rescission will take effect upon receipt by the school.

Please complete ALL the information below and return this form to your child's school. It MUST be completed, signed and returned regardless of your decision. (Please ONLY check one box.)
