

For the 2017-18 school year, Meridian CUSD #15 will offer an **optional** insurance program in conjunction with its 1:1 Digital Learning Initiative. This program is open to all students and families who have received or are receiving a district-issued Chromebook for use at school.

The insurance is being offered by **Technology Resource Advisors (TRA)**.

The policies being offered this year are:

ChromeCare Warranty with Accidental Damage Protection

- includes accidental drops, water damage, normal wear and tear, and hardware failure

1 year = \$19

- Loss or Theft is not covered, but can be added to any policy for an extra \$5.00.

Coverage will be managed by the Technology Department at Meridian High School. Repairs will be made either onsite or sent to TRA Service Centers. Students simply need to take their insured Chromebook to the Library to initiate coverage, and a long term loaner will be issued based on availability. Uninsured repairs will continue to be invoiced and paid through Student Accounts.

For more information or questions, please contact Phil Stielow, Director of Technology 217-764-5233 ext. 112; email at stielowp@meridianhawks.net.

If you would like to purchase the ChromeCare Warranty, fill out the form below and return it to the office with payment.

- 1 Year (\$19)
- Add Loss/Theft Coverage (\$5.00 – 1 time)
